

Philippines-Japan

Workshop on Wireless, Radio and Antenna Technologies (PJWWRAT)

September 22-23, 2025

Electrical and Electronics Engineering Institute
University of the Philippines Diliman

CALL FOR PAPERS

The Philippines-Japan Workshop on Wireless, Radio, and Antenna Technologies (PJWWRAT) is the second workshop on antennas, propagation, and wireless engineering between the Philippines and Japan. The theme of the PJWWRAT 2025 is "Cultivating Philippines and Japan advances in propagation and antenna systems." It is intended to provide a forum for exchanging information on research and development progress in antennas, propagation, RF/microwave, and wireless communication systems.

IMPORTANT DATES

- **Call for Papers:** May 24, 2025
- **Paper Submission:** July 4, 2025
- **Notification:** July 31, 2025
- **Registration:** August 8, 2025
- **Forum:** September 22-23, 2025

TOPICS OF INTEREST *include but are not limited to:*

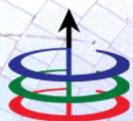

- Antennas for 6G
- Propagation Measurements and Models for 6G
- Wireless Power Transfer
- Wireless Communications
- MIMO and Array Signal Processing
